

A HEALTHCARE TEAM WITH YOUR CARE IN MIND

As a nursing home resident, you may already have Medicaid and Medicare. While Medicaid may pay for your nursing home services, Medicare typically pays toward your doctors' visits, inpatient hospitalizations and prescription drugs.

WHY CHOOSE HEALTH POINTE OF NEW YORK?

In addition to your current care, Health Pointe of New York provides you with a Nurse Practitioner responsible for facilitating and coordinating your care needs.

By choosing Health Pointe of New York, you can continue to see the facility physician as your Primary Care Physician.

CARE AND SUPPORT WHEN YOU NEED IT MOST!

HEALTH POINTE OF NEW YORK OFFERS COMPREHENSIVE MEDICARE ADVANTAGE BENEFITS.

Health Pointe Direct is an HMO plan with a Medicare contract. Enrollment in Health Pointe Direct depends on contract renewal.

HEALTHCARE DESIGNED FOR YOUR NEEDS

Health Pointe of New York offers additional benefits and personalized care. Your dedicated Nurse Practitioner will:

- Perform routine physical examinations in addition to your PCP visits
- Perform frequent monitoring during change in your health status
- Coordinate different aspects of your care
- Communicate regularly with you and your family
- Collaborate with your PCP and other members of the nursing home team
- Become a liaison and advocate for your care

MORE CARE. BETTER CARE.

Health Pointe of NY is committed to providing high quality and person-centered care to our members.

BENEFITS OF CHOOSING HEALTH POINTE OF NEW YORK

ACCESS

You will be assigned to a Nurse Practitioner who will coordinate your care in collaboration with your Primary Care Physician and other members of the team in the nursing home you reside.

RELATIONSHIP

Your Nurse Practitioner will have time to answer questions and assist you and your family when making important health care decisions.

COMMUNICATION

Your Nurse Practitioner will speak regularly with your family to provide updates, discuss any additional necessary care and explain changing needs as they occur.

ASSIST WITH TRANSITIONS OF CARE

If you ever need to be hospitalized, your Nurse Practitioner will assist your physician in evaluating your Care Plan and monitoring your condition when you return to the nursing home.

ASSISTANCE WITH ADVANCE DIRECTIVES

Your Nurse Practitioner will help you and your family to understand Advance Directives and provide sufficient information so you can make an informed health care decision based on choice.

**MORE CARE.
BETTER CARE.**

THE HEALTH POINTE OF NEW YORK PHILOSOPHY

Health Pointe of New York's approach is holistic, comprehensive, and well-coordinated. Every member partners with a Nurse Practitioner who becomes the central link for care integration.

Health Pointe of New York, LLC., is committed to providing compassionate, high quality, and person-centered care, while embracing and celebrating the rich dimensions of diversity contained within each individual. Our organizational values of integrity, caring, diversity, and creativity are embedded in every employee and are woven into every aspect of the care we provide.
